

# Financial Services Industry

## Managed IT Services to Safeguard Transactions and Optimize IT Performance

Financial services companies need to thrive in a very competitive space. With customers expecting interruption-free transactions, maximum uptime, protection of their sensitive and personal information as well as quick support to their requests, companies require technologies that can increase operational efficiency, protect data, automate and integrate processes, and deliver full-time support.

Synoptek is a one-stop-shop for all your technology needs. Our digital engagement and industry-leading domain experts will help you create a secure and cost-effective IT environment. We serve as a trusted advisor to our clients offering value, innovation, assurance, and integrity.

## Transform Your Business with Synoptek's Solutions:

- Business Application Development and Maintenance
- Data Warehousing and Business Intelligence
- Quality Assurance and Testing Services
- Security and Compliance Services
- Cloud Advancement
- IT Infrastructure and Data Protection

## Synoptek Services help:

- Ensure High Availability of Services
- Improve Security Posture
- Enable Data Protection and Regulatory Compliance
- Deliver 24x7x365 support
- Maximize uptime

“We used Synoptek as a VAR (Value Added Reseller) and were extremely satisfied with their technical services. They met our core requirements for cutting costs while strengthening our infrastructure quality and availability.”

– CTO, An Investment Bank

“We are pleased to announce the successful go live of Microsoft Dynamics 365 implementation. I'd like to thank Synoptek for the professionalism and support demonstrated during the project implementation.”

– Manager, An Investment Company

## Synoptek Serving the Financial Industry

Synoptek understands that every Financial Services company has a unique requirement. Hence, through a business advisory and consultative approach, we deliver best-in-class services like business applications implementation, custom development, cloud services, security, and analytics as well as excellent ongoing management and support. Along every step of your customer's journey and every transaction made, Synoptek will be the last IT partner you will ever need.
